The VFAA state shoot **2011** schedule is now complete and included herein, along with the applicable hosts. VFAA selected all of the hosts for the state shoots. The state directors of the NFAA mid Atlantic section selected the hosts and dates for the mid Atlantic indoor and the mid Atlantic outdoor. The various hosts selected dates for all others, including the mid Atlantic 3D date selected by Augusta.

The list of hosts for the VFAA indoor is not a mistake. Wythe bid on the Mid-Atlantic indoor but not the state indoor.
